Product Description

Aventuria, a continent of secrets, adventures ... and dice games! and dice games! Over the past decades, a multitude of different dice games from the world of The Dark Eye have been described. Now there is finally a complete collection of these games, which comes ready to play with matching in-game dice and tokens (cardboard coins)! Whether as a gimmick for a role-playing evening in the tavern, for ambient entertainment at the next LARP or simply for a fun get-together with friends - with the Aventurian Dice Game Collection it is guaranteed not to be boring!

Contents- twenty six-sided in-game wooden dice- two cardboard punched sheets with coins used in games of chance in Aventuria- a booklet with typical Aventurian dice games-
Language: German
