### Product Description

Night is falling! At last, the humans crawl into their houses and the streets belong to you, the cats. Quickly slip into your boots, put on your hat and tuck the needle blade into your belt and off you go on an adventure. There is said to be a treasure and dragons in Wolldorf, just the thing for adventurous cats. The starter box accompanies children, adults, role-playing newcomers and old hands as they take their first steps in the world of The Black Cat. The box contains everything you need to play The Black Cat: five ready-made heroes, a tutorial, two more adventures, dice and other accessories. Simply open the box and start playing - no previous knowledge required. In addition to the starter box, you only need a few friends to experience adventures in the role of an awakened cat.
