Product Description

Ralf Kurtsiefer has struck again and with HeXXenklänge: Teufelstanz delivers his hardest and darkest soundtrack yet for HeXXen 1733. The soundtrack contains 22 tracks (including 3 bonus tracks) that bring the most gruesome and evil side of HeXXen 1733 to life. Brave demon hunters fight their way through hordes of demon spawn, through the lava gorges of Lucifer's realm and the shadow world of Mephisto. With blades and rituals, they face physical demons as well as evil spirits.

Content- contains 22 tracks- including 3 bonus tracks- Language: German
