Product Description

"HeXXen 1733: Book of Rules 1 - Basic Rules of Hunting" Besides an extensive description of the background of the game world of HeXXen 1733, the Book of Rules 1 mainly contains the core rules of the game - reduced to the most necessary, easy to learn and clearly arranged. To create your own hunter character, eleven roles and eleven professions are presented. They correspond to the roles in the Book of Rules from the first edition, supplemented by the role Scout and the profession Stray. Caution! Not suitable for children under 36 months.
