Torg Eternity - Tharkold booster deck

from **11,60 EUR**

Item no.: 369131
shipping weight: 0.10 kg
Manufacturer: Ulisses Spiele

Product Description

This booster deck contains special cards for the demonic realm of Tharkold. A newly designed drama deck with 40 cards offers unique special effects each round. Dominate your enemies or be crushed beneath their wheels! Ten new cosm cards increase the variety of effects to emphasise the sinister danger of the setting. And finally, five new cards have been added to the drama deck, reviving some old favourites and opening up completely new options.
