### Product Description

The world of Golarion is a savage and uncivilised place, populated by vicious monsters and deadly beasts. As heroes explore this world in search of fame and fortune, they will inevitably at some point encounter creatures that seem to have sprung from their worst nightmares. No one ever said being a hero was easy! The Savage Pathfinder Monster Handbook is 128 pages long and full of gruesome beasts and terrible monsters that will strike fear into the hearts of even the bravest heroes. Within the pages of this book you will find over 100 deadly foes, be they Aboleths or Zombies! With the Savage Pathfinder Monster Guide you can bring your players face to face with dozens of dragons, demons and terrifying challenges! This book is an indispensable tool for any SL who wants to give heroes, of any rank, a proper challenge.

The Savage Pathfinder Basic Rulebook is required to play.

Caution: Not suitable for children under 36 months.
