### Product Description

6 takes! 30th anniversary edition For 30 years, 6 nimmt! fans have been proving that they are by no means horndogs! This anniversary edition offers the familiar basic game as well as a completely new, co-operative variant. Players compete together against the buffalo and use the special cards to diligently push the minus points to him. Four additional special cards, devised by 6 nimmt! fans, offer even more variety in the game! How to play 6 nimmt! 30th anniversary edition: What's inside 6 nimmt! 30th anniversary edition: - 6 nimmt! Basic game: The ingenious card game for 2-10 people, in which the players place their cards as cleverly as possible in four rows of cards.
