Product Description

The dwarves have been searching for valuable gold in the caves for 20 years. Saboteurs are trying to stop them from doing so. The high-quality anniversary edition includes the basic game "Saboteur" and the expansion "Saboteur 2" as well as numerous special cards from the last 20 years. In addition, new path and objective cards, mini-expansions and game variants bring surprising twists and turns and plenty of variety to everyday mining life. How to play Saboteur 20th anniversary edition: - Saboteur basic game: The international card game bestseller for large groups of up to 12 players. - Saboteur 2: The expansion, with additional dwarf, path and action cards, in which gold seekers can also travel in teams. - Exclusive special cards from the last 20 years, some of which were previously only issued at Saboteur World Championships. - Mini expansions: Postcard with two mini-expansions, with additional objective and treasure cards. - Diverse game variants for varied twists and turns and even more adventure. Contents: - 210 playing cards - 1 postcard with 2 mini-expansions - 1 punched board - 1 game instructions - 1 elastic band Dimensions: - 16 x 12 x 6 cm Author: - Frederic Moyersoen Graphics: - Andrea Boekhoff Success factors: - Anniversary edition in attractive box with book look - With mini-expansions and numerous special cards from the last 20 years - International bestselling card game
