Product Description

Product information "DSA2 - The Beggars of Grangor (remastered)" The Beggars of Grangor Grangor, one of the oldest and most beautiful cities in Aventuria, is famous for its picturesque architecture and the great trading houses that ensure its prosperity and peace. But suddenly, one patrician family after another is struck by sinister blows of fate. Who can put an end to the horror before chaos reigns in Grangor? The adventure includes a double-page city map and a wealth of information about the city.
