Product Description

A battle with several participants can be a confusing affair. To ensure that neither players nor the game master lose track, we offer acrylic marker sets that you can use to represent the positions of the combatants in order to keep conflicts and other scenes clear. If two markers are close to each other on a game board, the corresponding combatants are within range for close combat. This set contains a total of 50 acrylic markers for all adventures from the Heldenwerk Archive 7 anthology, which you can use to depict combat scenes, for example. Included are (caution, spoilers!):- Sindar Berliand 1x- Skarypthiss 1x- Skeleton Rat 2x- Giant Octopod 1x- Dolphin 4x- Shadow Ray 3x- Eichbart Düstermann 1x- Bruuta, Goblin Shaman 1x- Imaculo Egiliano Eternius 1x- Cortessa Tiamartin 1x- Sulajmaid saba Shulamunde 1x- Alrik Rundarek 1x- Olea Golgarez 1x - Goblin Olea Golgarez 1x- Emmeran Tannhaus 1x- Doll Golem 3x- Delilah al'Vent 1x- Arjuk 1x- Genko 1x- Najj 1x- Corroero di Madaluna 1x- Manrico 1x- Ragnar 1x- Geron 1x- Jellyfish 6x- Amando 1x- Geode 1x- Astral Spirit 8x- Fire Djinn 1x- Air Spirit 1x- Tinsel Djinn 1x To use this acrylic marker set, we recommend the publications of the Tools of the Masterseries, which present rules for playing with markers.
