Product Description

For glory! For victory! Thrilling battles call for thrilling monsters! In this volume, you'll find over 400 creatures, including genre classics like elves, ogres, and all-new dragons; wild beasts from giant ants to bloodthirsty wolves; and unique monsters that threaten the world of Pathfinder, including sinspawn and poison needles. These creatures cover all level ranges, from the slow, mindless zombie shambler to the all-powerful demon lord Tree Reaper! This collection is perfect for gamemasters planning their next battles as well as players looking for monstrous allies to summon!
