from **46,50 EUR**

Item no.: 385139  
shipping weight: 0.10 kg  
Manufacturer: Ulisses Spiele

### Product Description

This adventure game box contains everything you need to stage all kinds of exciting adventures in the British Isles. The focus is on the four-part campaign of the same name, which can be greatly expanded with additional adventures, allowing the player group to explore large parts of the island kingdom. The box also contains all the additional materials that were unlocked during the crowdfunding campaign in the form of stretch goals. In addition to the obligatory punched sheets, numerous extras are once again included.
