Product Description

This booster deck adds special cards to the future corporate empire of Pan-Pacific! A redesigned 40-card drama deck offers unique special effects each turn. The deck is rich with tension from corporate raids, assassinations, and Cosm technological intrigue. Ten new Cosm cards increase the variety of effects to emphasise Pan-Pacific's position at the end of the first year. Players feel the effects of Pan-Pacific with each card, increasing the challenge of their missions. Number: 40 cards
