Product Description

Shape the fate of Torg Eternity with your Storm Knights! The GenCon adventures are official adventures in which players have changed the course of Torg Eternity at various GenCons. Now your Storm Knights can travel the Living Lands, the Nile Empire, the Cyberpontificate, and Tharkold, playing crucial milestones to shape the cosmverse of your gaming group. In this book you'll find:- Difficult choices in the Living Lands, when the Storm Knights learn that they can try anything, but they can't do everything.- The Fate of the Pulp Heroes. The fate of the pulp heroes of Terra, known as the Mystery Men, hangs in the balance.- A meeting with the Elven Consortium, who previously appeared in Unholy Dates.- The outcome of the Storm Knight's battle for the fixed point of Central Earth in Paris.- A deal with an enemy that will determine the new High Lord of Tharkold. To play this adventure collection you will need:- Torg Eternity Core Rulebook- DramadeckFormat: DIN A4, softcover
