Product Description

Tales of the RED | STREET STORIES 9 missions full of action and intrigue for cyberpunkRed. Night City is a big place full of wild parties, corpses and neon lights. Beneath the thin layer of adverts and grime, it has some stories to tell. Stories about vicious gangs, a feral artificial intelligence and love. You meet self-confident mercenaries and film stars and even take a ride in a submarine. You fight cyberpsychics, dirty reporters and rival edgerunners. The city is voracious. It feeds on the dead, and you will deliver them to it - one way or another. In the pages of this book, seemingly simple missions spiral completely out of control, and Herculean tasks can be solved with a single bullet. It's your city. She hates you. It loves you. And you can't help but feel the same. There are adventures to be had here. If you know what's good for you, you have to experience them, Choomba! For the latest edition of the classic tabletop role-playing game of the Dark Future. Tales of the RED: STREET STORIES is a collection of nine never-before-seen full-length missions for you to play with your crew.
