Product Description

HEROES OF THE GOTTWALD'S CITY Brave seafarers, mighty beast warriors and dark horrors from the night-black depths and long-gone days can be found on the sea-swept shores of the Godwhale, making the already harsh life in the far north a real challenge. This book introduces twelve professions appropriate to the region, including the legendary Gjalsk beast warriors, the powerful Premer warriors and the Swafnir devotees protected by the godwhale. Also included: Focus rules for shipping, the highland games of the Gjalsker, the traits of the Thorwaler and Gjalsker, which give your heroes regional flair, new special skills, spells and liturgies, as well as the matching wizard and consecrator traditions, talent, combat, spell and liturgy styles, spell and liturgy styles and lots of associated advanced special skills to equip your hero with additional tricks, weapon spells of the beast warriors, spell runes of the rune creators and spell melodies of the Sangara as well as an extensive armoury with new weapons and armour from the region. These include the Nadertal Hjal Knife, the Premer Long Axe, the Gjalsk Barbarian Sword, as well as special items such as the Tyrffing Blade or divine artefacts such as the Rudderblade of Jurga Tjalfsdottir and the Calling Horns of Natûru-Gon, which are kept in the six original settlements of the Gjalsk people.
