Product Description

This set contains everything you need to upgrade the HeXXen Master's Tools game box for the second chapter of HeXXen 1733. All the monsters in the adventure book are listed with the new Nsc values for the 2nd edition. On a punched sheet you will also find markers for all the resources that are now an integral part of the new basic rules: Rage, Ambition and Quintessence. Add the contents of this set to your toolbox to get it ready for the second edition of HeXXen 1733. Contains: 8-page book with converted monster values, 1 punched sheet with new resource markers.
