Product Description

Compatible with fifth edition or any fantasy roleplaying game, Cove of the Dragon Turtle pits players against an enormous creature from Chinese folklore, with the armoured body of a turtle and the cunning mind of a dragon. Inside this boss box is everything players need to run a truly epic encounter. The set can be run as a one-shot encounter or as part of an existing roleplaying campaign. Players looking to run a truly epic campaign of the high seas can pair this boss with the compatible warband set, Island of the Crab Archon! Cove of the Dragon Turtle 1 huge, highly detailed Dragon Turtle miniature (110mm base, unpainted) Double-sided game mat Adventure book Monster stats Tips and tricks for building tension and excitement
