Product Description

Death tugs at your soul as you press on, deeper into a world of forgotten palaces, broken kingdoms, and fading hope. The journey through the treacherous realms of DARK SOULS continues, and we invite you to immerse yourself in the Tome of Journeys. Here lie the means to make your next roleplaying campaign twice as thrilling and thrice as deadly! Within these whispering pages, you'll find a wealth of new material to further flesh out your RPG campaigns. From classic DARK SOULS locations, to new equipment and weaponry, plus two complete adventures ready to slot into your games. Not to mention secret tips and advice for Game Masters, to help you run sessions that will keep players coming back to the bonfire for more! Fully illustrated and entirely deadly, the Tome of Journeys will take you on a journey unlike any other. Prepare to die...
