Product Description

Most dragons were slaughtered millenia ago, as the Age of Fire began. But one survived, mightiest of all: the Black Dragon Kalameet. Even the proud gods dare not provoke his ire. It's possible he acquired dark power from the Abyss, for he emits foul sorceries from his maw in place of fire. Prepare to die. Put your roleplaying group to the ultimate test against a black dragon of terrifying power with Kalameet, the Last Dragon, created for Dark Souls: The Roleplaying Game. Only the strongest Unkindled will survive.
