Product Description

We are amidst strange beings, in a strange land. Add new chapters to your DARK SOULS story with the Tome of Strange Beings – a compendium of terrifying monsters and iconic bosses from the DARK SOULS universe! This ancient tome, plucked from the dusty shelves of the Duke's Archives, expands on the bestiary from DARK SOULS™: The Roleplaying Game's core book. Discover profiles for over 80 unique monsters and bosses from various ages within these 120 pages, providing a stern test for your roleplaying adventures. Those looking for the ultimate challenge can do battle against legendary foes from throughout the ages – including Ornstein and Smough, and Lord Gwyn himself! These lavishly-illustrated entries contain 5e-compatible stats and lore for you to add DARK SOULS monsters to any tabletop roleplaying campaign. Terrifying monsters. Iconic bosses. New DARK SOULS adventures.
