Product Description

Are you ready to up your game and expand your Warpaints Fanatic collection? With the Warpaints Fanatic Most Wanted Set, we've selected 22 must-have colours from the Fanatic range. What's more, every colour in this set has been hand-picked to match and work with the Starter Set and Mega Paint Set - making it the perfect complementary set to expand your palette. Easy enough for a beginner, fast enough for a gamer, yet powerful enough for the world's best painters - Warpaints Fanatic features an incredibly pigment-dense formulation on a premium resin base with proprietary stabilisers to ensure smooth, effortless application. There are 22 colours in the Most Wanted Paint Set, including 14 bright colours, 2 skin tones, 2 effect colours, 2 metallic colours, 1 brush-on primer and 1 versatile glaze. Also included are a miniature figure and a painting guide - FREE! The painting guide included in this box set is a great companion for both beginners and experienced painters. The guide explains The Army Painter's "Spray, Paint, Dip, Done" method and gives you plenty of tips and tricks on how to save hours at the hobby desk and have more time to play with the right techniques and tools. Overall, it's an exclusive insight into the many loopholes and shortcuts you can use to paint these miniatures to a high standard without spending months. Contents- 22 x 18 ml paints- 14 acrylic paints- 2 skin tones- 2 effect paints- 2 metallic paints- 1 wash- 1 brush-on primer Free- painting instructions- miniature figure- sticker sheet
