Product Description

Acrylic marker set Campaign tokens With our acrylic marker set, you'll always have every battle under control! Whether player or game master, use the markers to represent the position of the combatants and keep track of battles and other conflicts. The campaign tokens acrylic marker set contains 89 acrylic markers for master characters and opponents from the campaign Tiles of Power. Included are well-known personalities such as Archon Megalon, the alchemist Haranon Lederer, the hermit Norrigea, the merchant Ebelfried Eisinger and the Inquisitor Praioshilf Sonnacker, as well as other markers for combat encounters.
