Product Description

The cheeky party game! The exciting puzzle game for clever teams of agents with dirty minds. Codenames Undercover. Each team has to find certain words, as these code names conceal the agents of their colour. Only the respective secret service chiefs of each team know the words they are looking for and must put their team on the right track with clever clues. However, they are only allowed to reveal very little. The team that finds all its agents first wins. Codenames Undercover can be shuffled with the Codenames cards!
