### Product Description

With the Ravensburger BeCreative bead animal ladybird set, children aged 6 and over can make a ladybird and a small caterpillar from the beads and pipe cleaners contained in the creative set. Simply thread the shiny beads onto the colourful pipe cleaners, bend them into shape and the little animals come to life. The large, three-dimensional animals are fun to make, play with and decorate! The BeCreative sets from Ravensburger inspire children to make their own creations! The colourful beads and pipe cleaners included in the set are used to create a ladybird and a small caterpillar. Children aged 6 and over can play with the little animals or use them as pretty decorations. In addition to the materials, detailed instructions are also included to ensure perfect results. The BeCreative range is rounded off with other sets on the subject of DIY and creative basic techniques and if you enjoyed making the ladybird, you can make even more animal friends yourself with other craft sets.
