### Product Description

With the Ravensburger BeCreative set for threading beaded animals, children aged 6 and over can make beaded animals from the beads and pipe cleaners contained in the creative set. The large, three-dimensional animals are fun to make, play with and decorate! The BeCreative sets from Ravensburger inspire children to make their own! The 900 colourful beads and 22m of pipe cleaners in different colours included in the set are used to create a wide variety of animals. Whether butterfly, dragonfly, snake or seahorse - children aged 6 and over will have fun making and playing. In addition to the materials, instructions are included for all these animals, but the boys and girls can also get creative themselves.
