Product Description

With the Ravensburger BeCreative seahorse bead animal set, children aged 6 and over can make a seahorse and a small caterpillar from the beads and pipe cleaners contained in the creative set. Simply thread the shiny beads onto the colourful pipe cleaners, bend them into shape and the little animals come to life. The large, three-dimensional animals are fun to make, play with and decorate! The BeCreative sets from Ravensburger inspire children to make their own creations! The colourful beads and pipe cleaners included in the set are used to create a seahorse and a small caterpillar. Children aged 6 and over can play with the little animals or use them as pretty decorations. In addition to the materials, detailed instructions are also included to ensure perfect results. The BeCreative range is rounded off with other sets on the subject of DIY and creative basic techniques, and if you particularly enjoyed making the seahorse, you can make more animal friends yourself with the bead animal threading set.
