### Product Description

This 3D puzzle ball in a cool big cat design becomes an extraordinary night light with a clap of the hands when the light base illuminates the ball from the inside. This sturdy 3D puzzle ball is created piece by piece from curved plastic puzzle pieces that fit together perfectly thanks to EasyClick Technology, without any gluing. The numbering of the pieces on the back makes pre-sorting easier and enables simple puzzling by number. Tip: The included light base can be used to transform many other motifs into a great night light! Details-Item number: 11248 - EAN: 4005556112487 Warnings Caution. Not suitable for children under 36 months. Small parts. Choking hazard.
