### Product Description

With this creative mini box, you can discover the art of watercolour painting by adding colour to the four mini unicorn pictures. - Age: from 4 years Box contents:- 4 masked illustrations in 12 x 16 cm format- 1 high-quality watercolour brush- 1 palette for mixing the colours- 3 non-toxic watercolour inks- 1 pipette for mixing the colours Who doesn't love cats and kittens? Young artists will enjoy the magic of the set and reveal their artistry while colouring in cute kittens with non-toxic water-based paints. The Aquarellum mini range is ideal for discovering the joys of watercolour painting and colour mixing while creating true masterpieces! With this painting technique, all ages can effortlessly create beautiful works of art. Here is the recipe for success:- High quality, thick parchment paper that is perfect for watercolour painting as it does not crease.- Mini illustrations with masked outlines that appear as if by magic with every brushstroke. They prevent the colour from sticking to the masked areas so that the children can only paint within the lines! Their small format is also perfect for young artists.- Watercolour paints that blend perfectly and can be layered to create beautiful colour gradients.- A detailed guide on how to perceive and mix the colours.- A concept made in France. This is the perfect craft activity to introduce young children to the art of painting and mixing colours while awakening their sense of concentration. The result is guaranteed to inspire artists of all levels and ages in their creative process. Refill packs are available. An eco-friendly product This range is made in France and is designed to be eco-friendly so that all ages can have fun while respecting the environment and future generations. Here are the eco-friendly measures implemented in the development of this range:- Paint pots made from 70% recycled PET- Non-toxic water-based paints- A pallet made from 70% recycled material - A box made from 89% recycled material FSC-certified- FSC-certified boards- 98% of the value of this product is made in France
