Product Description

Step into the playful and colorful world of BIG! Our neon color mix set is the perfect way for young children to explore vibrant and colorful creativity. With 15 BIG pieces, they can create fantastic and colorful creations that will bring life and joy to their playtime. The tube is filled with luminous colours that immediately catch the eye and spread a magical ambiance. Children can combine the neon-colored BIG pieces in countless ways and create their own unique works of art. From brilliant pink to shining yellow and electric blue - this world of colour will inspire their imagination to soar! In a world of colour, there are no limits to what can be created. Children can design and build anything their imagination can conceive - from colourful animals and funny characters to futuristic vehicles and imaginative landscapes. This set is an invitation to explore and create in a world of vivid colour. BIG is not only fun to play with; they also help develop children's fine motor skills and spatial thinking. Through play, they have the opportunity to enhance their creative and problem-solving abilities while exploring and learning about colour. Embark on an exciting journey into the world of colour! Give your children a playful experience where they can create colourful masterpieces and explore a world of creativity and joy. With 15 neon-coloured BIG pieces, they can open the door to a world filled with colour and fun that will bring smiles and excitement to every playtime. BIG is specially designed for the youngest children and is approved for ages 1 and up - Plus-Plus is easy to clean and can be washed in the washing machine or dishwasher - Free from endocrine-disrupting substances
