Product Description

Witcher Dice Set: Geralt - The Silver Sword

A blade for killing monsters. Inspired by The Witcher franchise, this dice set is dedicated to Geralt of Rivia — who wields a silver sword meant to slay certain monsters. The set contains 8 pieces; 7 polyhedral dice, and a metal coin with Geralt's depiction, acting as a D2. Each die is painted black with silver engravings. The highest value faces and coin reverse display the Wolf School symbol.

It is common knowledge that witchers, whose profession is to kill monsters, always carry two swords. One of them is made of steel, while the other of silver. Many monsters are impervious to the former but show great vulnerability to the latter, which makes the silver sword a very precious tool indeed for any professional monster slayer, including the famed Geralt of Rivia.

This is who this special dice set in a black and silver color theme is dedicated to, carrying a clear font of digits, witcher sign engravings, and the Wolf School symbol decorating the highest dice faces. The coin featured in the set also shows this symbol on the reverse, while the obverse is adorned by the side-profile of Geralt's grizzled face.

The Witcher is more than a profession or a single character. The Witcher is an entire universe created thanks to the stories of Andrzej Sapkowski, in which choices and motives are never simply black and white. Colorful, full of unique charm, rich in non-standard phenomena, and described with lingual artistry, it later became the basis for video games, comic books, tabletop RPGs, as well as movies and TV series. If you know The Witcher from any of these sources, you know how enthralling this universe is. For us — people who grew up with the stories from the world of The Witcher — the possibility to create dice based on its famous and beloved characters is an honor. We have taken our time to carefully consider all the possibilities of both designs and color themes — now visible to you in the form of the final product. These dice are born from passion, and we're proud that the person to receive them is someone who can appreciate them as much as we do... That someone being you.
