### Product Description

#### The Witcher Dice Set: Geralt - The Monster Slayer

Training and experience. Inspired by The Witcher franchise, this dice set is dedicated to Geralt of Rivia — a seasoned monster slayer. The set contains 8 pieces; 7 polyhedral dice, and a metal coin featuring Geralt's depiction, which acts as a D2. Each die is painted caramel with silver engravings. The highest value faces and coin reverse display the Wolf School symbol.

Geralt of Rivia, an experienced witcher from the Wolf School, trained in the ancient fortress of Kaer Morhen, bore many scars on his body that testified to the risks associated with his profession. The two swords he carried with him were more than tools - sometimes they meant life or death. But that's what being a witcher is all about - standing between ordinary people and the beasts created by the Conjunction of the Spheres. He is a monster slayer and is unlikely to live to see the end of his days in a warm bed.

This is who this special dice set in caramel and silver color theme is dedicated to, with a clear font of digits, engravings presenting witcher signs, and the highest dice faces decorated with the Wolf School symbol. The coin attached to the set also shows this symbol on the reverse, while the obverse is ruled by the side-profile of Geralt's grizzled face.

The Witcher is not only a profession, it is not only a character. The Witcher is a whole universe created thanks to the stories of Andrzej Sapkowski, in which the choices and motives are never black and white. Colorful, full of unique charm, rich in non-standard phenomena, and described with lingual artistry, it became the basis for later comic books, video games, tabletop role-playing games, as well as movies and series. If you know any of these sources, you know how addictive this universe is. You understand why for us - people who grew up on stories from the world of The Witcher - it's so important and dignifying that we have the possibility to create dice based on famous and beloved characters from it. We have long and carefully considered all the possibilities of both designs and color themes - and you are now able to see the final product. This creation is born of passion, and we're proud that the person who will receive them is you. You - someone who can appreciate them as much as we do...
