Product Description

The Witcher Dice Set: Yennefer - Sorceress Supreme

Unmatched power. Inspired by The Witcher franchise, this dice set is dedicated to Yennefer of Vengerberg — a powerful sorceress. The set contains 8 pieces; 7 polyhedral dice, and a metal coin featuring Yennefer's depiction, which acts as a D2. Each die is painted in the image of a starry night sky with turquoise engravings. The highest value faces and coin reverse share imagery with Yen's pendant.

Yennefer from Vengerberg was a powerful sorceress, whose explosive temperament had shown others more than once that she was no joke with her. As she was infuriated, a gray-blue fire raged in her violet eyes, heralding the advent of real trouble. She was the only sorceress able to cast a bound spell using only the movements of her slender leg, which has not been repeated by any other magic-user. After the Battle of Sodden Hill, she also became the youngest member of the Wizarding Council.

This is who this special dice set in the colors of the starry night and turquoise is dedicated to, with a clear font of digits, engravings stylized as magic portals, and the highest dice faces decorated with the symbol of the Obsidian Star. The coin attached to the set also shows this symbol on the reverse, while the obverse is ruled by the side-profile of Yen's beautiful face.

The Witcher is not only a profession, it is not only a character. The Witcher is a whole universe created thanks to the stories of Andrzej Sapkowski, in which the choices and motives are never black and white. Colorful, full of unique charm, rich in non-standard phenomena, and described with lingual artistry, it became the basis for later comic books, video games, tabletop role-playing games, as well as movies and series. If you know any of these sources, you know how addictive this universe is. You understand why for us - people who grew up on stories from the world of The Witcher - it's so important and dignifying that we have the possibility to create dice based on famous and beloved characters from it. We have long and carefully considered all the possibilities of both designs and color themes - and you are now able to see the final product. This creation is born of passion, and we're proud that the person who will receive them is you. You - someone who can appreciate them as much as we do...

Caution! Not suitable for children under 36 months.

- Material: Plastic
- Dice color: Navy blue
- Painting color: Turquoise
- Number of pieces: 8
