## Ultimate Guard Magnetic Card Case 100 pt

from **2,25 EUR**

Item no.: 358115  
shipping weight: 0.10 kg  
Manufacturer: Ultimate Guard

### Product Description

For some, they are just cards, but for others they are little treasures that need to be preserved. And it is precisely for these treasures that our Magnetic Card Case offers a particularly high level of protection! Suitable for all types of trading cards, it is available in various sizes and protects your most valuable cards with special features such as recessed corners and integrated UV protection.

- UV protection
- Recessed corners (the corners of the cards store without contact, cannot bump)
- Strong magnetic closure
- Acid-free
- Highly transparent
- Designed for standard size trading cards up to 100 pt thick (1 trading card ~ 12 pt)

Dimensions: 73 x 9 x 110.5 mm

Caution! Not suitable for children under 36 months.
