Product Description

In this world, you will encounter phantoms of white and red. The White Phantoms are valuable allies. You may call upon them in times of need. But beware the Red Phantoms. They are not your friends. With this expansion, you'll gain the ability to summon phantom allies to aid you in your Dark Souls™: The Board Game encounters—but you'll pay a price for their assistance. For with the White Phantoms, come the Red...
