Product Description

Historic splendour in miniature: '70 Shelby Mustang GT500 model kitThe '70 Shelby Mustang GT500 model kit is an exact replica of the legendary high-performance version of the Ford Mustang. In 1:25 scale, this kit offers an impressive level of detail and authenticity. With a parts count of 120 pieces, it is ideal for advanced modellers (skill level 4). The finished model kit measures 190 mm in length, 66 mm in height and 72 mm in width, making it a striking eye-catcher in any collection. The kit is recommended for ages 12 and up.Scope of delivery:- Multi-part 7.0-litre V8 engine- Movable bonnet- Detailed bodywork with precise replicas- Comprehensive decals for an authentic representation- Basic paints, glue and brushes for an immediate startThis model kit is ideal for advanced modellers (level 4). Experience in gluing and painting is required, which is a demanding and rewarding challenge for passionate modelling enthusiasts.Special features:- Accurate replica of the historic '70 Shelby Mustang GT500- Highly detailed components for realistic representation- Includes all necessary materials to start modelling immediately- Authentic decals for a detailed replica of the originalBackground information:The '70 Shelby Mustang GT500, originally introduced in 1965, underwent a major redesign in 1969, including an extended body. Interestingly, unsold 1969 models were rebadged as 1970 models, recognisable by a small front spoiler and two bonnet stripes. This model kit captures not only the aesthetics but also the history of this iconic car, making it a must-have item for collectors and automotive history buffs.- Width: 7.2 cm- Length: 19.5 cm- Height: 6.6 cm- Item no.: 67729- Recommended age: 12- Scale: 1:25- Components: 112
