Product Description

Transform your bookshelf into a dreamy, romantic world with this Arcade Dating. This book nook is a charming miniature with the perfect setup for a sweet encounter like in your library's storybooks.- Assembly size: 106*195*255mm- Package size: 316*79*231mm- Wood parts: 148pcs- Material:Basswood board, density boardCan love bloom in a dreamy urban setting? Take a peek at the Arcade Dating book nook and find out. Nestled along a quiet corridor styled after a picturesque European street, this enchanting scene sets the perfect mood for first dates and heartfelt conversations. Warm, golden lights from hanging lanterns bathe the space in a cozy glow, highlighting a quaint table tucked between a charming café and an inviting bookshop.The café exudes warmth with its rustic wooden details, while the bookshop's facade, adorned with vintage signs, stamps, and decorative books, offers a glimpse into a world of endless stories. Above, a high balcony overlooks the scene, making you imagine a modern-day Juliet behind its wooden balusters waiting for her Romeo to appear below. It's your turn. Build the Arcade Dating book nook and write your own love story through your craftsmanship.*Notes:Due to customs policy, the batteries (2 pieces of AAA/LR03/AM4 1.5V) and glue may not be included in the package.
