### Product Description

Hawkins Police Chief Jim Hopper's Chevrolet Blazer K5 is featured in the first three seasons of the gripping supernatural mystery series Stranger Things. The car is owned by the Hawkins Police Department and Hopper drives it to various significant locations in the first three seasons as part of his investigation into the disappearance of Will Byers, the exploration of the tunnels beneath Hawkins and an elaborate rescue operation to free Dr Alexie during a Soviet military operation led by Soviet soldier and contract killer Grigori. During this escape in 1985, the car's engine is severely damaged, causing the car to partially explode. This 1:25 scale model is perfect for remembering Hopper's beloved and iconic car.- Newly designed model kit- Equipped exactly as in the Netflix series- Assembly instructions include decals that match the car from the series - Width: 8.1 cm- Length: 18.8 cm- Height: 7.9 cm- Item number: 67724- Recommended age: 12- Scale: 1:25- Individual parts: 100
