Product Description

In 1964, an attractively designed coupé specially developed for young drivers was presented to the public at the World's Fair in New York, which delighted visitors. The 8,000 available models were sold on the very first day of sales and a further 22,000 orders were placed. The 2+2 Fastback, a hatchback coupé, followed the classic coupé and cabriolet in 1965. All three models were offered with different engine variants, including a 289 cubic inch (4.7-litre) eight-cylinder engine with up to 275 hp. The top speed of the long-wheelbase Mustang 2 +2 Fastback was around 189 km/h, with acceleration from 0 to 100 in 9.0 seconds. - Faithfully reproduced body with fine surface textures - Multi-part, detailed engine - Separate exhaust system - Detailed interior with authentic instrument panel and textured seats - Faithfully reproduced wheel rims - Many chrome parts, including wheel rims, bumpers and radiator grille - Instructions and authentic decals In addition to base colours, glue and brushes are also included. - Width: 7.4 cm- Length: 19.1 cm- Height: 8.2 cm- Item number: 67065- Recommended age: 12- Scale: 1:24- Individual parts: 82
