from **82,39 EUR**

Item no.: 409740  
shipping weight: 1.20 kg  
Manufacturer: COBI

### Product Description

The Maserati MC20 is the latest model in the portfolio of the Italian manufacturer of luxury sports and racing cars based in Bologna. Maserati is part of the Stellantis Group, which was created in 2021 from the merger of Fiat Chrysler Automobiles with the French company Groupe PSA. The name MC20 stands for Maserati Corse (Italian for racing), while the number 20 stands for the year 2020, when the car was presented to the public. The Maserati MC20 has all the characteristics of a sports car. It is low, wide and aerodynamic. The door, which opens upwards when you open it, attracts everyone's attention. It is powered by a 630 hp V6 engine that sits centrally behind the driver's back. The top speed of this super sports car is over 325 km/h! The Maserati MC20 Executive Edition was released under licence from the Italian sports car manufacturer Maserati. Developed on a sensational 1:12 scale, the building block model measures 39 cm in length and consists of 2,466 elements. Opening doors, swivelling wheels that can be turned with functioning steering, a built engine and elements specially developed for this model are just some of the advantages of this set. Numerous prints and carefully selected elements have been used to recreate the style elements and interior. The Executive Edition is distinguished from the Standard Edition by the different colour of the brake callipers. This also includes imprints on the wheel rims. The set is complemented by an elegant block display stand, the key element of which is a laser-engraved plate with the name of the car, the model scale and the Maserati logo. Now this modern super sports car can be yours! Thanks to the clear and intuitive instructions, assembly is simple and no problem even for less advanced builders. The sensationally designed car is sure to delight fans of modern motoring. The sporty shape and display stand will not leave you indifferent to the model, which can become a decoration of your living room, room or office. Express your passion with COBI bricks! - 2.468 high-quality components, - product under original MASERATI licence, - manufactured in the EU by a company with over 20 years of tradition, - meet the safety standards for children's products, - fully compatible with other brands of clamp building blocks, - blocks with print do not deform or fade during play or under the influence of temperature, - high-quality detailed prints, - large scale 1:12, - block stand, - laser engraved plate.
