## Product Description

The Willys MB Jeep is a legendary off-road vehicle that played a key role in the Second World War. Produced by the American company Willys-Overland Motors, the vehicle was characterised by its simple design and reliability in difficult terrain. Its compact size and robustness secured it a place in automotive history as an irreplaceable military vehicle. The Jeep Willys MB is now available in the COBI range in a new colour - classic American military green! The 1:35 scale set consists of 132 parts and offers a great opportunity to travel back in time and recreate this historic model. The set includes a figure of a soldier from the American 101st Airborne Division (Screaming Eagles). With detailed imprints on the vehicle and figure that reflect historical markings, the set captures the spirit of World War II and pays homage to the original design of the Willys MB Jeep. The set includes elements vehicle and figure that reflect historical markings, the set captures the spirit of World War II and pays homage to the original design of the Willys MB Jeep. I he set includes elements such as rotating rubber wheels and a machine gun, which emphasise the functionality and attention to detail and make the model more authentic and realistic.Intuitive building instructions make assembling the model child's play, even for those with no previous knowledge of building blocks.
