Product Description

More fun with the game, less time spent sorting - matching organiser for the third expansion of Flügelschlag for cards without protective sleeves. Great fun, and not just for bird lovers. Experience the colourful world of birds in Asia in the third expansion of Flügelschlag. To make sure no one gives you the bird because you've mistaken the miniature eggs for little chocolate chocolates again, there's a matching Feldherr organiser for your Flügelschlag Asia board game box. - The organiser fits into the original "Flügelschlag Asien" board game box. - The set offers space for all game materials from the expansion. - Three card holders are available for your playing cards. - The organiser was designed for cards without protective sleeves. You can find more space for cards with protective sleeves in the Feldherr Organiser for Flügelschlag Asia ORG201. - In two-player mode, each player receives their own resource tray. - In the duel game variant for two players, each player receives their own duel tray. - The set contains three plug-in card holders that can be used instead of the bird bath for the face-up playing cards. - Rules, double-sided target tray. You place the rules, double-sided target board, bird house, bird bath, player boards, overview section, scoring pad and quick start aids on the organiser trays. - Minimal overhang due to the scoring pad of just under 5 mm - Transport and tilt-proof - vertical storage possible - Ready to use - no assembly required So that you can devote yourself to the birds of Asia in peace, we have taken care of the order in your board game box. Three card holders and seven token trays keep your box organised. Each card and token has its own compartment. Thanks to the clear structure, you know where your game material is located. But the inserts don't just keep the game box organised. It doesn't matter whether you play the expansion in two-player mode or whether you play the expansion together with the main game and other expansions. The trays help you to keep an overview. To start the game quickly, take the individual inserts out of the game box and place them on the table so that they are accessible to all players. At the end of the game, put the filled trays in the board game box and you are ready for another round. The set consists of: - 3 plastic card holders, each with a compartment for playing cards such as bird cards, bonus cards + overview section - 2 plastic "Yin" and "Yang" duel trays, each with a compartment for duel markers, action cubes + tokens "6" and "7" + rotating wheel, Starting player markers are placed on both trays - 1 plastic dice tray with seven compartments for food cubes + target tokens for the duel mode + storage compartment for the card holders - 2 plastic resource holders, each with five compartments for food markers - 2 plastic egg trays, each with a compartment for miniature eggs - 3 plastic card holders, each with a card slot for face-up playing cards As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted. - thermoplastic - made from renewable raw materials - no assembly required - ready to play - 3D printed in Germany
