Product Description

Zoff im Zoo - Card game, for 3-7 players, from 10 years (DE Edition)

Two hedgehogs have won. Do you believe it?

It all started with a magnificent lion. But he had to give in to an elephant. The elephant was outdone by two elephants - the fact that one of them was originally a mosquito doesn't matter. Two mice frightened the two elephants, and then the two hedgehogs came and made everything clear, because there was no pair of foxes to be seen far and wide. You still don't believe it? Then play the game yourself!

The ultimate zoo fun, a fast card game with changing partners. Easy to learn but not without strategic decisions.
